

DÖRR Mini Octagon Softbox

For Compact Flashes

DÖRR

Soft light where ever needed. The handy Mini Octagon Softbox suits all speedlites and provides a conveniently soft and diffuse illumination. The inner silver layer avoids the loss of light.

Especially for portraits, beauty and event photography the Mini Octagon Softbox provides great advantages: harmonious skin tones without wrinkles or harsh shadows.

The softbox is easy to use: just unfold the softbox, slip it over your flash and close the Velcro and flexible strap.
