

# BRAUN *VidiProof*

Digital Camcorder Full HD Waterproof

## Film + Fun + Full HD!

From now on the BRAUN VidiProof will accompany you in every situation. No matter if you outside or inhouse - use the BRAUN VidiProof to take your pictures and make movies where ever you are and what ever the weather says.

Even the BRAUN VidiProof is getting wet and dirty you can clean the camera by using clear water, or you make your movies directly under water up to the depth of 3 meters.

This might open to you a new world of capturing important and funny moments in your life.

You save those in FullHD resolution with 1920x1080 to your SD or SDHC flash memory up to 16 GB and you might share them any time by connecting the BRAUN VidiProof via HDMI with your FullHD television to get the best quality.

Expect a new world of capturing. Enjoy the BRAUN VidiProof.
