

BRAUN 1-FOR-ALL-TRAVEL Universal charger

Practical when on the go!

Flexible power supply via electrical socket, car cigarette lighter or PC/laptop.

Charges virtually all!

Li-Ion/Li-Po batteries and NiMH/NiCd (AA/AAA) batteries.

Direct charging of your devices!

USB power adapter/USB car adapter for a direct charging of mobile phones and MP3 players.

Technical specifications

- For virtually all 3.6-4.2 V or 7.2-8.4 V Li-Ion/Li-Po batteries and 1.2 V NiMH/NiCd AA/AAA batteries used in digital cameras, camcorders, mobile phones, and other electronic devices.
- With the AC/DC USB power adapter, you can charge mobile phones, iPhones/iPads and other electronic devices through the respective USB cable without having to remove the battery.
- LCD display for the charge status
- The charger offers two separate charger contact systems for AA/AAA batteries and a Li-Ion/Li-Po battery in combination with a patented casing to allow you to assemble one small Li-Ion/Li-Po and 1 - 2 AA/AAA batteries. Then batteries will be charged one after another (first Li-Ion battery, following AA/AAA batteries)
- Autodetect and stop function for damaged batteries or non-rechargeable dry cell batteries.
- Smart Vmax charge with faulty battery pack detection and overcharge protection.
- Battery activator function to revive deeply discharged Li-Ion batteries.
- Charging time is 2-8 hours depending on charge mode and battery charge status, voltage and capacity.
- Special microprocessor to control voltage conversion and all charge processes.
- Smart deltaV low temperature pulse charge method, trickle charge and overcharge protection.
- USB port charger/AC/DC power adapter: 5.3 V, 1000 mA
- Cigarette lighter charger: 5.3 V, 1000 mA
- Li-Ion/Li-Po charge output rating: 4.2 V/8.4 V, 900-500 mA
- AA/AAA charge output rating: 1-2 1.2 V, 1000-700 mA
- USB 2.0/1.1: 5 V, min. 500 mA
- Li-Ion/Li-Po charge output rating: 4.2 V/8.4 V, 500-250 mA
- AA/AAA charge output rating: 1-2 1.2 V, 700-450 mA
- Dimensions/Weight: 114(L)*64(W)*29(H)mm / 80g

Included in delivery

Item-no. 59410/EAN 4000567 59410 9

- Charger, power adapter/USB wall charger (1000 mA), USB cigarette lighter adapter (12 V), USB cable, user instructions
